

YA BOOK BLOGGER

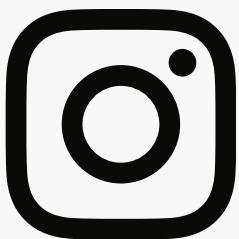

Your Words My Ink

WWW.YOURWORDSMYINK.COM

Founded in May 2018, Your Words My Ink has grown into a book blog with over 100 book reviews posted. I've always been an avid reader and writer with a lot of creative energy. I mainly post YA fantasy and Sci-Fi reviews on my blog, but I also do social media tips, lists and recommendations. I have worked with various companies and my following has grown rather quickly. In 2021 we were featured in the New York Times! I hope to be able to work with you in the future.
